Conditions.

1 The tenderers will submit tenders in duplicate for the above work in sealed covers.

2 Tender forms can be had from the Office of the Executive Engineer, on any working day up to 3 P.M. on 21st January 1963 on payment of the prescribed amount, which is not refundable. No responsibility is accepted for delays in the transmission of tender forms by post and no correspondence will be entered into on this account.

3 Contractors with permanent deposits with the department under the rules of registration of contractors are exempted from payment of earnest money. In such cases tenderers should note their registration No. and the name of the registering authority. In all other cases, the tenders must be accompanied by the prescribed earnest money without which the tender will not be considered.

4 Post Office Cash Certificates, National Savings Certificates, Savings Bank Deposits, Fixed Deposit Receipts or Bank Guarantees from Scheduled Banks will be accepted in lieu of cash deposits towards earnest money or security deposit provided they are pledged in favour of the Executive Engineer and a letter of authority to proceed against them in case of defaults.

5 Tenders in all other cases should be accompanied by the prescribed earnest money in the form of treasury challan from any branch of the Mysore Government Treasury under the Head "Revenue Deposit" quoting the name of work and the Executive Engineer, No. 5 B.R.B.C. Division, Tarikere. No cash or cheque will be accepted, nor any request for adjustment of amount due from Government considered.

6 Earnest money will be refunded to the unsuccessful tenderers after the successful tenderer completes the agreement or after expiration of two months from the date of receipt of tender whichever is earlier.

7 The tenders shall remain open for acceptance by the competent authority for a period of 2 months from the date of receipt of tenders. Tenders once submitted cannot be withdrawn before their opening without the consent of the Executive Engineer. No tender can be withdrawn or cancelled after opening.

8 Conditional tenders and those with alterations in the tender documents are liable to be rejected. modifications or alterations in the conditions shall not be valid or binding on the department unless they have been specifically and individually accepted.

9 (a) The rates should be quoted both in words and figures by the tenderers and shall be for the complete items as noted in the schedule and specifications. It will hold good till the completion of work. They shall be inclusive of all taxes, local or general, royalty, etc., payable to Government or local bodies in the region.

(b) All overwritings and corrections shall be attested by the tenderer.

(c) Rates shall not be tendered on percentage basis, *i.e.*, at certain percentage higher or lower than the estimated rates.

(d) No reference to the P.W.D. schedule of rates shall be made.

(e) In the event of there being difference in rates in between the original and duplicate copies of the tender and in between figures and words only the lower of the two in each case will be considered.

10 It should be clearly understood that the quantities shown in the schedules are approximate and the drawings tentative and are liable to modifications or alterations as may be found necessary.

11 The tenderer is deemed to have acquainted himself fully with the local conditions, regarding labour and materials, general and special conditions of contract, specifications for the work and the time allowed for completion, before tendering for the work.

12 The successful tenderer shall, within 15 days from the date of intimation of acceptance of his tender, execute the prescribed agreement in form P. W. G. 32, failing which the earnest money shall stand forfeited to Government.

13 The work should not be sublet.

14 The earnest money paid by the successful tenderer will be converted into security deposit after the agreement is completed. An additional amount of at 5 per cent shall be recovered from gross amount of each running bill up to the limit of security deposit, and held in deposit for a period of 3 months after the satisfactory completion of work and payment of final bill.

15 Materials, stores, and machinery available with the Department other than those mentioned in schedule 'A' may be issued by the Department, at the Division Office, Tarikere, to the contractor at the departmental issue rates or hire rates if they can be conveniently spared.

16 Further particulars in connection with the works can be had from the Executive Engineer, No. 5 B.R.R.B.C. Division, Tarikere.

17 The conditions of this notification inviting tenders will be deemed to be a part of the agreement bond even though it is not transcribed to the agreement bond.

18 The authority competent to accept tender reserves right to reject any or all tenders without assigning reasons.

19 The tenders for the work shall not be witnesses by a contractor or contractors who himself/themselves has/have tendered or who may and have for the same work. Failure to observe this condition would render tenders of the contractors tendering as well as witness the tender liable to summary rejection.

20 Collection of metal, gravel, etc., should be started from mile 1 towards mile 4.

21 Regarding the physical progress of the work, the Executive Engineer, No. 5 B.R.R.B.C., Division, will fix up the same at the time of execution of agreement bond.

22 Materials like stones and jelly should be got approved in writing from the Executive Engineer, before use on the work.

23 For non-tendered items rates in approved schedule of rates of the year will be paid for scheduled items, and for non-scheduled items approved data rates will be paid.
